

Recital Picture Schedule

April 23 – 26, 2018

Parents and dancers, April 23-April 26 is picture week!

Please take a moment to look over and locate your dancer's **REGULAR** class day and times then highlight their **SCHEDULED CLASS PICTURE DAY AND TIME** if this has not already been done for you. We encourage everyone that is participating in recital to come to each of their class pictures whether or not you plan on ordering them. The studio as well as your classmates would love to have a full class picture for our photo albums. As a reminder, individual pictures will be taken directly before or after their class picture. Recital Ad pictures will be the same as their individual but PLEASE verify that you have marked AD ON YOUR FORM. Please ensure that you have filled out the appropriate form for each package and ad photo. Try to arrive in your first costume 5 - 10 minutes prior to your scheduled PICTURE time not regular class day and time. Make-up is optional. Please no stage make-up for pictures. Please have your dancer's hair fixed as requested on your dancer's costume details form for all group pictures. If your Dancer is here for ONE dance, please have them come dressed in that costume with a cover-up as the studio lobby and dressing area will be extremely busy. Studio B will be used as a girl's dressing room. Daddies and brothers will not be permitted in the girl's dressing room. Pictures will be taken in studio A. We do ask that all parents remain in the lobby while pictures are being taken.

Please no tapping on viewing windows. Thank you

Any additional company or individual pictures can be taken at any time/ any day during these hours.

We will NOT be holding regular classes this week as both studios will be set up for picture week.
